

## ENGRAVE A COMMEMORATIVE PAVER

Honor a loved one, share a memory, or inspire hope.

The new J. Rex Fuqua Campus for adolescents features the Edwina and Tom Johnson Entry Garden, a commemorative collection of pavers at the main entrance of the campus. Every day, clients and their families will take crucial steps toward resilience and healthy futures by way of this special place as they enter the campus.

Adding an engraved paver to this walkway will symbolize your support for Skyland Trail and its role in providing life-changing mental health treatment.

Pavers are available in three different sizes at the \$250, \$500, and \$1,000 gift level.
